

TRASH TO TREASURE!

USEFUL THINGS YOU CAN MAKE FROM RECYCLED WATER SACHETS

Water sachets
are not just
waste.
They can
be useful!

Don't throw it away, repurpose it today!

HOW TO PREPARE THE SACHETS

- 1** Collect used water sachets.

- 2** Wash them thoroughly.

- 3** Dry them completely.

- 4** Cut them open.

- 5** Flatten and you are ready to create!

Be creative.
Be smart.
Recycle and
make a difference!
